<p>All games will be played utilizing a Jamboree format. Games will be played as (2) 19-minute running time half's controlled by one central clock. Time will not stop and timeouts are not allowed. Games will have (2) minutes between halves and (5) minutes between games. Penalties will be called, however, penalized teams will not be "Man-Down". Penalties will result in the offensive team receiving a "fast-break" situation where (1) offensive middle will receive the ball (10) yards inside the center line. All defensive middies, AND the remaining offensive middies, MUST be behind the center line trailing when the whistle starts play. Any "Personal Fouls" will require the penalized player being removed from play for 30 seconds, although the penalized team will be allowed to "replace" that player for the "fast break" as per above.</p>					
Concession stands and facilities will be available. Grills and alcoholic beverages are NOT allowed.
